Authorize a twenty-year lease agreement with Texas Military Department (TMD) for use of approximately 8.96 acres of land and appurtenances, for District 5 Maintenance Service Center located at 1775 California Crossing Road in California Crossing Park - Financing: No cost consideration to the City

BACKGROUND

On June 28, 1960 the City entered into an agreement and lease with the Texas National Guard Armory Board for use of a portion of California Crossing Park to construct improvements for a training facility for a unit of the Texas National Guard. Upon expiration of the lease on May 31, 1990 a new lease was consummated between the City and the Texas National Guard. That lease is now set to expire on May 31, 2015.

The Texas Military Department (TMD) wishes to enter into a new lease agreement. TMD has approached the Park and Recreation Department with an offer of consideration to provide the Park and Recreation Department with approximately 3,500 square feet of office space, a maintenance facility building of approximately 2,000 square feet, parking space, and a fenced maintenance yard for use as the Park and Recreation Department District 5 Maintenance facility, with improvements, in lieu of rental payments.

Currently the Armory consists of approximately 66,000 square feet of floor space. The new lease provides for the TMD to make improvements to approximately 3,500 square feet of office space for use by the Park and Recreation Department’s District 5 Maintenance division. Additionally, the district will have exclusive use of a portion of the fenced maintenance yard as well as parking for its staff.
FISCAL INFORMATION
